

# SOFT LANDING CENTRE PACKAGES

LIVERPOOL  
SCIENCE PARK

Liverpool Science Park is located in the heart of the City's historic Knowledge Quarter. Set against the impressive backdrop of the Metropolitan Cathedral, the inspirational architecture of Liverpool Science Park reflects the latest innovations in building design.

The facility provides access to the Knowledge Quarter's unique research, cultural offering and the City's transport networks. The state of the art building delivers a premium working environment along with flexible office and laboratory compatible accommodation.

**Companies working in the knowledge and high-tech sectors, currently based outside the Northwest, are eligible to apply to the Soft Landing Centre for membership.**

**Liverpool Science Park is offering two distinct packages to international companies or companies currently based outside of the Northwest region.**
